PROCEEDINGS PENDING  
MEDIATION

**STIPULATED MOTION**

The parties, through their attorneys, respectfully advise the Court they have agreed to attempt to resolve this case through mediation. The parties are in the process of scheduling a mediation in late September or October of 2019. The parties agree and believe that both parties' interests, and the interests of judicial economy and efficiency, will be served by mediating this case before incurring the time and expense of engaging in additional discovery or preparing dispositive motions.

For that reasons, the parties respectfully request that the Court stay all further proceedings in this case, including formal discovery, and vacate unexpired case deadlines in the Amended Order Setting Trial Date and Related Dates. Dkt. 32. If this matter does not settle through mediation, the parties agree they will file a Joint Status Report that includes a new

1 proposed trial date and case deadlines within seven (7) days after mediation, at which point the  
2 stay will be automatically lifted.

3 For the foregoing reasons, the parties respectfully stipulate to, and jointly request that  
4 the Court enter, the proposed Order set forth below staying proceedings and vacating case  
5 deadlines.
